AND EVENING
COURSES FOR ADULTS**

2019
entry

Would you like to change career or improve your job prospects?

Our part-time day and evening courses can help you update your skills or turn a hobby into a career.

Entry requirements vary by course. Formal qualifications are not always necessary, but we may ask you to come to an interview to help you choose the right course.

Our lecturers are industry experts as well as qualified teachers, and they will give you the support and encouragement you need to succeed. We offer financial assistance and guidance on loans and concessions – see page 27 for more information.

See West Thames College for yourself.

There's no better way of deciding whether we offer the right course for you than by attending one of our **Open Events**.

However, if you're unable to make an Open Event, why not join one of our **Monthly Tours**?

See page 5 for details.

About us

West Thames College has two centres – our main campus in Isleworth and the Skills+Logistics Centre in nearby Feltham.

Main Campus / Isleworth

The main campus has a friendly, welcoming atmosphere and combines bright, modern purpose-built buildings with the historic grandeur of Spring Grove House - once the home of Sir Joseph Banks, who sailed the world with Captain Cook.

Skills+Logistics Centre / Feltham

This smaller specialised campus includes multiple workshops and workspaces that create realistic work environments in which to learn various trade skills, from construction to car mechanics.

Meet us

Meet our lecturers and students, ask questions and see our excellent facilities - dates below.

Earn as you learn

Apprenticeships are the ideal way to get hands-on experience whilst studying for a qualification at the same time.

- An apprenticeship typically involves spending four days a week in a work environment gaining practical skills and one day a week studying at college.
- You will receive a salary of approximately £200 per week, depending on the job you are doing and your employer.
- Apprenticeships last on average 12-15 months for Level 2 and 18-24 months for Level 3.

6 steps to apprenticeship success

- 1** Decide which apprenticeship area you are interested in.
- 2** Register on the National Apprenticeship website www.gov.uk/apply-apprenticeship to see all the apprenticeship vacancies across the country.
- 3** Prepare your application – make sure your CV is up to date.
- 4** Apply for positions – go to the apprenticeship tab on our website or visit the National Apprenticeship Service.
- 5** Attend an interview if your application is successful.
- 6** Get the job! Start work and train at the same time.
