

Progression Pathway Agreement between members of the West London Skills Provider Networks

This agreement is dated the 23 day of January 2023

Barnet & Southgate College, Wood Street, Barnet, Hertfordshire, EN5 4AZ
Brunel University London a Royal Charter Corporation (RC000079) of Kingston
Lane, Uxbridge, Middlesex UB8 3PH
Buckinghamshire New University, Queen Alexandra Road, High Wycombe
HP11 2JZ
Harrow College/Uxbridge College (HCUC), Park Road, Uxbridge, UB8 1NQ
Middlesex University, Bramley Road, Trent Park, Oakwood, London, N14 4YZ
United Colleges Group, 25 Paddington Green, London, W2 1NB
The University of West London, St Mary's Road, Ealing, London, W5 5RF
University of Westminster, 309 Regent Street, London, W1B 2UW
Stanmore College, Elm Park, Stanmore, HA7 4BQ
West London College, Gliddon Road, Barons Court, London, W14 9BL
West Thames College, London Road, Isleworth, Middlesex, TW7 4HS

1. Purpose

- Annex 1 records an understanding between members of the **West London FE/HE Digital Skills Working Group** to enable FE students eligible for “home fee status” completing the following Level 3 awards with UCAS grade profile 112+ to be considered for an offer of a place at FHEQ L4 (‘year 1’) on the matched degree programmes, subject to FE students meeting the relevant admission requirements in the absolute discretion of the relevant Higher Education party with degree awarding powers (“HE Partner”) for the relevant matched degree programme.
- Annex 2 records an understanding between members of the **West London Creative Skills Working Group** to enable FE students eligible for “home fee status” completing the following Level 3 awards with UCAS grade profile 112+ to be considered for an offer of a place at FHEQ L4 (‘year 1’) on the matched degree programmes, subject to FE students meeting the relevant admission requirements in the absolute discretion of the relevant HE Partner for the relevant matched degree programme.
- Annex 3 will in due course record an understanding between members of the **West London FE/HE/ ITP Green Skills Working Group** to enable FE students eligible for “home fee status” completing the following Level 3 awards with UCAS grade profile 112+ to be considered for an offer of a place at FHEQ L4 (‘year 1’) on the matched degree programmes, subject to FE students meeting the relevant admission requirements in the absolute discretion of the relevant HE Partner for the relevant matched degree programme.
- Annex 4 will in due course record an understanding between members of the **West London FE/HE Health & Social Care Working Group** to enable FE students eligible for “home fee status” completing the following Level 3 awards with UCAS grade profile 112+ to be considered for an offer of a place at FHEQ L4 (‘year 1’) on the matched degree programmes, subject to the FE students meeting the relevant admission requirements in the absolute discretion of the relevant party with degree awarding powers for the relevant matched degree programme.
- Nothing within this Agreement shall be deemed to apply to any FE student requiring sponsorship for a Student Visa to study at FHEQ Level 4.
- HE Partners’ degree programmes are subject to maximum capacities of entrants at each point of entry. Nothing in this Agreement shall be deemed to mean that any HE partner is obliged to

consider offering a place to any applicant once it believes, in its absolute discretion, that there is a risk of such maximum capacity being reached in any particular point of entry.

- “Relevant admission requirements” include, but are not limited to, auditions, portfolios and other programme-specific methods of selection, in addition to general admission requirements.

2. Responsibilities of FE partners

The FE representative of each institution in the relevant Working Group shall liaise with the relevant Programme Teams to ensure programme content is aligned as best possible with the matched degree course.

FE partners agree to evaluate and screen their FE students and to recommend FE students to apply for progression onto HE Partners’ courses that are likely to meet the entry requirements of the relevant matched degree programme.

FE partners shall liaise with the HE Partners’ Marketing departments to ensure that accurate and up-to-date information concerning the HE programmes is available to FE partners and easily accessed by FE students, and that those FE students interested in progressing to an HE Partner have an opportunity to attend open days or through other pre-arranged visits, virtual or otherwise.

FE partners will ensure that FE students are provided with all relevant information, support and materials regarding the relevant HE Partners’ programmes and admission procedures.

This Agreement is based on the current curriculum approved and offered by the FE partners as set out in the annexures. The FE partners shall immediately inform the relevant HE Partners of any changes to their programmes applicable to this Agreement in advance of implementation of the changes. Additional studies and/or further mapping may be required if the progression route is no longer appropriate for the FE programmes at the relevant HE Partner. The Agreement will not apply to FE students taking the changed curriculum unless and until the changes have been approved by the relevant HE Partner and incorporated in an appendix to the Agreement.

FE partners shall undertake to market the HE Partners and their programmes in a positive way to its students, with the intention to maximise the number of students progressing from FE to HE in the partnership. FE partners may make mention of this Agreement in its publications and, subject to the terms of this Agreement, display the HE Partners’ logo, but copy should be submitted to the HE Partners’ Marketing departments in advance for approval. The logo should be displayed on the college website, and must always be linked to the HE Partners’ own website.

In relation to any HE Partners’ logos that are registered trade marks, the relevant HE Partner grants to the FE partner a revocable, non-transferable, non-exclusive, worldwide, royalty-free licence for the duration of this Agreement to use solely in connection with the performance of its obligations and the exercise of its rights under or as contemplated by this Agreement. The licence shall terminate automatically upon the termination of this Agreement.

The FE partners undertake to the HE Partners not to do or permit to be done any act which would or might jeopardise any registration of the registered trade marks owned by the HE Partners, not to do any act which might assist or give rise to an application to remove any of the registered trade marks owned by the HE Partners from the register or which might prejudice the right or title of the licensor to any of the trade marks.

HE Partners reserve the right to request the immediate withdrawal of promotional material that do not comply with their corporate identity and/or include inappropriate or misleading information. HE Partners may terminate the trade mark licence with immediate effect by written notice if any FE partner commits a breach of this clause 2.

3. Responsibilities of HE partners

The HE Partners’ Marketing departments shall ensure that relevant HE programme materials are supplied to FE partners and facilitate visits to the HE partners for interested FE students. All background intellectual property will remain in the ownership of the originating party. Access to such intellectual property will be negotiated on a case by case basis. Any new intellectual property generated

as a consequence of this agreement will normally be owned by the party creating the same, although variations to this position may be negotiated on a case by case basis.

The HE Partners will offer a place on the named matched programme to all FE partner students who achieve UCAS grade profile 112+ subject to applicants meeting the relevant admission requirements in the absolute discretion of the relevant HE Partner for the relevant matched degree programme.

The HE Partners will offer a schedule of activities to FE partners throughout the academic year to ensure that FE students and staff have appropriate knowledge, awareness and experience of the HE partners' application process and more broadly the expectations and experience of studying in Higher Education.

The schedule of activities the HE partner will provide can include:

1. Online workshops for FE partners students – minimum two per academic year (with options for workshops to involve more than one HE institution)
2. Virtual or in-person tour of facilities and campus
3. Support for applications and applicants (including audition/portfolio preparation where relevant)
4. Offer support / collaboration with FE partners' curricula to align academic writing skills with undergraduate degree courses
5. An offer to feed into FE partners' curriculum development and validation & review activity

4. Term

This Agreement shall begin on the date of this Agreement and endure for a period of 3 years beginning on and including the date of this Agreement.

Should any party wish to withdraw from this Agreement prior to the end of its period of operation they may do so by giving three months' notice, in writing, on the condition that they fulfil any outstanding commitments under the Agreement existing on or before expiry of such three months' notice.

5. Operation of this agreement

Nothing in this Agreement shall be construed as creating any legal or financial relationship between the parties with the exception only of the provisions set out in clause 2 (trade mark licence) and clause 4 (term and terminology). This Agreement is a statement of intent to foster genuine and mutually beneficial collaboration.

Annexes will be reviewed and updated annually by affixing a signed copy of each duly updated Annex to this Agreement. In the case of Annexes 3 and 4, which are not annexed to this Agreement, the parties have no obligations in relation to the same until such time as all parties have signed a copy of each Annex to signify their agreement to the same and affixed such signed copy to this Agreement. Annexes 3 and 4 will thereafter be subject to review and update annually in the same way as Annexes 1 and 2.
