# LOGISTICS

Logistics is crucial for business operations, ensuring products are delivered quickly and efficiently with minimal risk. It involves planning, organising, controlling, and executing the movement and management of goods from origin to destination, using various techniques and technologies.

## ABOUT OUR LOGISTIC COURSES

Key aspects include warehousing, inventory management, and transportation. Studying logistics is important because it equips individuals with the skills needed to optimise supply chains, reduce costs, and improve overall efficiency.

The West Thames College Skills + Logistics Centre is based in Feltham and it is a prime location to support the local area in providing candidates to the workforce.

As a college, we offer a range of courses that support candidates in developing skills to enter one of the largest sectors in the UK.

We also offer refreshers courses.

## CAREERS/SALARY EXPECTATIONS

### **Logistics Assistant**

Up to £20,000

### **Freight Agent**

Up to £35,000

### **Supply Chain Manager**

Up to £45,000

# For Careers in: Supply Chain and Warehouse

## ESSENTIAL SKILLS FOR WAREHOUSING AND LOGISTICS

### LEVEL 1

This course is designed to provide learners with a practical foundation for starting or advancing a career in the logistics sector. It introduces key concepts, processes, and workplace practices that underpin the efficient movement, storage, and handling of goods across supply chains.

**STARTS:** January, February, April, May and June 2026

**DAYS / TIME:** TBC

**LOCATION:** Skills+Logistics Centre, Feltham

**DURATION:** 13 Days

### WHAT WILL I STUDY?

- Award in Progression
- Certificate in Warehousing and Storage
- Award in Forklift Operations

### NEXT STEPS:

Many students use the skills and knowledge gained to move directly into employment, particularly in entry-level roles where strong communication, organisational ability, and workplace readiness are highly valued. Alternatively, learners may choose to progress into further studies, building on their foundation with higher-level qualifications in areas such as Warehousing and Logistics, Business, or other vocational pathways.

### ENTRY REQUIREMENTS:

There are no entry requirements, but an interview and assessment will be required.
